

SEED GROWERS want to see YOU at our 2018 TRADE SHOW!

Join us in Corvallis, Oregon February 16-17, 2018 at our 9th Organic Seed Growers Conference

Organic Seed Alliance knows how important it is to connect farmers and seed growers with the many businesses that support the organic seed movement. As we celebrate *Synergy that Sustains*, we want our trade show vendors to benefit from the many synergies our seed community promotes.

NEW for our 2018 Trade Show:

- ▶ **More space:** Meet and greet in our 2,400 square-ft heated tent
- ▶ **Central location:** Attendees must walk by the show to reach program venues and are called to visit the show at specific times
- ▶ **Raffle incentives to visit your booth:** Participants will need to visit every booth to enter our fabulous farmer-centric raffle!

Booths are limited and available on a first come, first served basis.

Reserve yours today!
