

10th Organic Seed Growers Conference

February 12–15, 2020 | Corvallis, OR

We invite you to celebrate the 10th Organic Seed Growers Conference by becoming a conference sponsor for this special anniversary event. Sponsorship commitment is essential to our planning process and the success of the conference. Sponsorship offers your company or organization several promotional opportunities – recognition of your support will be added to digital platforms within a week of receiving your commitment. Your support helps keep registration costs affordable and supports the scholarship fund for farmers and students.

We are offering the special opportunity for one platinum level contributor to sponsor the inaugural Organic Seed Growers Conference App (see below).

Thank you for supporting the 10th Organic Seed Growers Conference with your conference sponsorship. We look forward to gathering with you in Corvallis.
